

African American Student Initiative: A Focus on Cultural Proficiency and Transformation Phase 2: 2017-2018

Outcomes:

- To use cultural proficiency to understand and change the dialogue of race, power, and privilege in schools and districts;
- To intentionally increase reflective practices during decision making process that promote sustainable, positive, and equitable changes in schools and districts; and
- To share, dialogue, and learn with one another about our unique truths and perspectives about race, power, and privilege in schools and districts.
