

MASA EXECUTIVE BOARD CANDIDATE PERSONAL DATA SHEET

Thank you for your interest in filling a vacant position on the MASA Executive Board. Please provide the following information and return the form to the MASA office.

Name: Angie McArthur

Current Position: Superintendent/K12 Principal District: Engadine Consolidated Schools

In 250 words or less, please describe your experiences, qualifications, and why you want to serve on the MASA Executive Board.

I currently serve as the Superintendent/K12 Principal of Engadine Consolidated Schools in the Upper Peninsula. I have served in that role for 10 years. I have been on MASA Council for three years. This past year, I was honored to fill a term on the MASA Executive Board, and am interested in continuing that service. It is essential that our association governance is diverse not only in regional representation and gender representation, but also diverse in district size and responsibilities.

In smaller schools, one wears many hats, so I bring a wealth of knowledge to the table. Prior to superintendent, I spent 17 years as the business administrator and three years as the elementary coordinator for my district. I represented small and rural schools at the state level during my nine years on the MSBO Board of Directors. I was privileged to serve as the MSBO President in 2013.

I believe in advocating for our students and leading our communities to create the best public education possible. This is possible through collaborative efforts locally and regionally, as well as creating relationships with other superintendents, with legislators, and with community and business partners. Our students, regardless of location, deserve the best education experience we can offer. I am asking for your support and your vote for the MASA election.

Submit form, with petitions, to Margaret Helmer, mhelmer@gomasa.org, by the close of business on March 1.
