

Duck, Duck.... GOOSE CHASE!

Mother Goose is in Union City! You are invited to join in the fun!

Duck, Duck...

-Each of you have a duck number. Every day a duck number will be drawn for prizes! Listen to your morning announcements for winners and how to claim your prize!

GOOSE CHASE!

-Twice a week, through the month of March, you and your fellow coworkers will have the chance to show your spirit by participating in challenges.

-Mother Goose will be sending you an email twice a week with a new challenge. Once a new challenge is issued, the old one expires. Each challenge last for two days (Mon/Tues and Thurs/Fri).

-Part of the fun is trying these challenges with as many different people as possible. Try to switch it up with new team members each challenge! If you have no one to participate with, email Mother Goose!

-Challenges get emailed to Mother Goose and will be shared, so keep it fun and school friendly!
