The Horizon Leadership Academy is a two-year, MDE-approved program that gives participants the opportunity to earn their Central Office Endorsement and/or Administrator Certificate. These credentials can only be earned through a four-year university or MASA’s Horizon program. Learn more at gomasa.org/horizon.

Save time and money when earning your administrator certification with MASA’s Horizon Program.

* Cost varies by MASA membership and credentials earned at time of registration. Maximum cost not to exceed $6,600.
Course content will focus on:

- How do I lead? How can I improve?
- What is the role of situational leadership?
- How do values and beliefs influence leadership?
- What does it mean to mentor, advise, coach and tell?
- How to use a Fact-Finding strategy to surface successes and barriers?
- How do emotions influence conversations and relationships?
- How can the power of story influence and engage others?

Cost: MASA member with Administrator Certificate: $3,000; MASA member without Administrator Certificate: $4,000; non-member with Administrator Certificate: $3,300; non-member without Administrator Certificate: $4,300

For Current Superintendents and Aspiring Central Office Leaders: Engage in influential leadership research, discussions, and have opportunities to practice learning back in their districts.

### Horizon Year 1

Completing Horizon Year 1 earns attendees a Central Office Enhancement on a current Administrator Certificate and 60 SCECH credits.

**Year 1: Program Requirements | Time commitment:**

10 days, 60 hours

Course content will focus on:

- How do I lead? How can I improve?
- What is the role of situational leadership?
- How do values and beliefs influence leadership?
- What does it mean to mentor, advise, coach and tell?
- How to use a Fact-Finding strategy to surface successes and barriers?
- How do emotions influence conversations and relationships?
- How can the power of story influence and engage others?

### Horizon Year 2

Completing Horizon Year 1 and Year 2 earns attendees an Administrator Certificate with a Central Office Endorsement OR a Central Office Endorsement on a current Administrator Certificate. Year 2 participants can earn 30 SCECH credits.

**Year 2: Program Requirements | Time commitment:**

5 days, 30 hours, with mentor coach support throughout the year

Course content will focus on:

- What researched strategies can provide guidance in strengthening district culture and improving the health of the organization?
- How do we expand Fact-Finding and data analysis to strengthen culture and improve the organization’s health?
- What researched strategies can influence strategic action planning at the school or district level?

Cost: MASA member: $2,000; non-member: $2,300
