Non-Homestead Millage Renewal

On November 4, voters will be asked to renew the existing non-homestead millage for Utica Community Schools. The millage renewal affects only rental, industrial and commercial properties and has ZERO impact on homeowners. It pays for school operations like teachers, basic school supplies, and utilities like heat and water.

WHAT’S ON THE BALLOT?

UTICA COMMUNITY SCHOOLS

RENEWAL OF NON-HOMESTEAD MILLAGE

This proposal would renew the existing authority of Utica Community Schools to levy 17.9316 mills on non-homestead property (such as rental, industrial and commercial property) for general operating purposes which expired with the 2014 levy. Owner occupied homes and qualified agricultural property are exempt from this levy.

As a renewal of existing authority which expired with the 2014 levy, shall the limitation on the amount of taxes which may be imposed on taxable non-homestead property in Utica Community Schools, County of Macomb, Michigan, be increased by 17.9316 mills ($17.9316 per $1,000 of taxable value) for ten (10) years, the years 2015 to 2024, inclusive, to provide funds for operating expenses of Utica Community Schools? If approved, this millage would generate an estimated $27,000,000 for the School District in 2015.
Get the Facts:

The Utica Community Schools Non-Homestead Millage Renewal

- IS a renewal of an existing millage that is restricted to rental, commercial and industrial properties within Utica Community Schools.
- IS NOT levied on owner-occupied homes and has ZERO impact on a homeowner's property taxes.
- Supports school operations including teachers, basic school supplies, and utilities such as heat and water.
- Will help maintain current academic programs that support the district's track record of high student achievement.
