Your first few years as a superintendent require enormous growth as a leader. MASA's New Superintendents Leadership Academy was created to support superintendents who are new to the position, as well as those who want to continue to grow and build new strengths in this tough, yet highly rewarding job.

The **New Superintendents Leadership Academy offers nine in-depth sessions throughout the year to give you the skills and insight to excel.** These sessions bring together experts who have one goal: Preparing you to succeed as a superintendent.

All MASA members who register for NSLA will also work with their own mentor coach throughout the year.

The cost for the nine-session series with a mentor coach is **\$2,400 for MASA members and \$2,800 for non-members.** (Non-members do not receive a mentor coach.)

For more information, contact MASA Deputy Executive Director Dr. Sarena Shivers at sshivers@gomasa.org.

Become an MASA Mentor Coach

As new superintendents step into leadership roles every school year, they realize there is a steep learning curve. MASA is seeking experienced superintendents who have been on the job for years and are ready, willing, and able to lend the support they know every new superintendent needs.
